

Chromatin, Epigenetics, and Transcriptional Regulation

UoE NETWORK

Wednesday 13th May 2015

HRB Lecture Theatre, George Square

4.00-6.00pm

Speakers:

Michael Robson (WTCCB)

"NETs coordinate gene organisation and gene expression changes during myogenesis"

Janice Kwok (Roslin)

"Jmjd6, an epigenetic regulator of macrophage host responses?"

John Thomson (IGMM)

"5-hydroxymethylcytosine profiling and cell identity"

Jingchao Zhang (SCRM)

"Interactions between Otx2 and Nanog regulate the ES cell self-renewal network"

*Connecting Science
between
Research Institutes
within the University*

Drinks

from 6.00 - 7.00pm

(Belgian Beers and more !)

THE UNIVERSITY of EDINBURGH

Organisers: Doug Vernimmen (Roslin) & Sari Pennings (QMRI)

Contact: douglas.vernimmen@roslin.ed.ac.uk / Sari.Pennings@ed.ac.uk
