Correction

Correction: Pang et al. Canine Mammary Cancer Stem Cells Are Radio- and Chemo- Resistant and Exhibit an Epithelial-Mesenchymal Transition Phenotype. *Cancers* 2011, 3, 1744–1762

Lisa Y. Pang *, Alejandro Cervantes-Arias, Rod W. Else and David J. Argyle

Royal (Dick) School of Veterinary Studies and Roslin Institute, The University of Edinburgh, Easter Bush, Midlothian EH25 9RG, UK

* Correspondence: lisa.pang@ed.ac.uk

Error in Figure

In the original article [1], there was a mistake in Figure 3C as published. There was an image duplication. The corrected Figure 3C appears below.

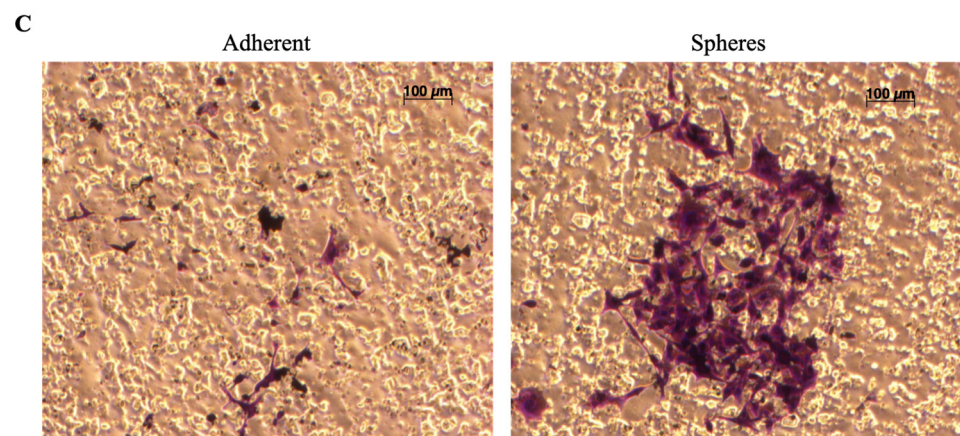

Figure 3. (C). Representative images of invading cells, stained purple, embedded within the membrane of a boyden chamber.

The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected.
