

Supporting Information Appendix 2: Quarterly analysis

Table S1. Relationship between UC ‘Full Service’ rollout and Rates of Housing Options Approaches (Q2 2014 – Q1 2019) and Working-Age Homelessness Claims (Q1 2015 – Q1 2019) Across 29 Scottish Local Authorities.

	(1) Housing Options Approach Rate	(2) Working-Age Statutory Homelessness Claim Rate
UC ‘Full Service’ Rolled Out		
<i>[No]</i>		
<i>Yes</i>	4.83* (1.24)	0.63 (0.76)
<i>Per 1% rise in</i>	0.18	0.14
Model Based Unemployment Rate	(0.82)	(0.26)
<i>Per £10 increase in</i>	0.72	0.32
10th Percentile Weekly Wages	(0.13)	(0.21)
<i>Per 100 households increase in</i>	0.06	0.17***
Rate of Single Adult Households	(0.03)	(0.03)
<i>Per 100 households increase in</i>	0.71	0.38*
Rate of Single Parent Households	(0.65)	(0.15)
Local Authority Quarters	580	493
R²	0.210	0.332

Notes: Driscoll-Kraay standard errors are shown in brackets under coefficients. All models include both local authority and (quarterly) time fixed effects. All rates are per 10,000 households in the local authority, except ‘working-age statutory homelessness claim rate’, which is per 10,000 working-age households in the local authority. 10th percentile weekly wages includes both part-time and full-time work. +p<0.10, *p<0.05, **p<0.01, ***p<0.001.

Table S2. Relationship between UC ‘Full Service’ rollout by Rollout Length and Rates of Housing Options Approaches (Q2 2014 – Q1 2019) and Working-Age Homelessness Claims (Q1 2015 – Q1 2019) Across 29 Scottish Local Authorities.

	(1) Housing Options Approach Rate	(2) Working-Age Statutory Homelessness Claim Rate
UC ‘Full Service’ Rolled Out		
<i>[No]</i>		
<i>Yes [1st quarter post]</i>	2.98 (1.72)	0.56 (0.99)
<i>Yes [2nd quarter post]</i>	4.55 ⁺ (2.27)	0.53 (0.88)
<i>Yes [3rd quarter post]</i>	4.55* (2.69)	1.51 ⁺ (0.84)
<i>Yes [4th quarter post]</i>	9.48** (2.53)	-0.23 (0.76)
<i>Yes [5th quarter post]</i>	12.50** (3.81)	0.76 (1.13)
<i>Per 1% rise in</i> Model Based Unemployment Rate	0.34 (0.67)	0.13 (0.26)
<i>Per £10 increase in</i> 10th Percentile Weekly Wages	0.47 (1.35)	0.33 (0.21)
<i>Per 100 households increase in</i> Rate of Single Adult Households	-0.02 (0.23)	0.17*** (0.03)
<i>Per 100 households increase in</i> Rate of Single Parent Households	0.78 (0.67)	0.38* (0.15)
Local Authority Quarters	580	493
R²	0.221	0.335

Notes: Driscoll-Kraay standard errors are shown in brackets under coefficients. All models include both local authority and (monthly) time fixed effects. All rates are per 10,000 households in the local authority, except ‘working-age statutory homelessness claim rate’, which is per 10,000 working-age households in the local authority. 10th percentile weekly wages includes both part-time and full-time work. +p<0.10, *p<0.05, **p<0.01, ***p<0.001.
