General rights

Copyright for the publications made accessible via the Edinburgh Research Explorer is retained by the author(s) and / or other copyright owners and it is a condition of accessing these publications that users recognise and abide by the legal requirements associated with these rights.

Take down policy

The University of Edinburgh has made every reasonable effort to ensure that Edinburgh Research Explorer content complies with UK legislation. If you believe that the public display of this file breaches copyright please contact openaccess@ed.ac.uk providing details, and we will remove access to the work immediately and investigate your claim.

Thank you: 2022 JAVMA Reviewers

We sincerely thank our reviewers who served in 2022 for the *Journal of the American Veterinary Medical Association* as their contributions have made possible our mission to advance and promote the science and art of veterinary medicine while upholding world-class standards in peer-reviewed veterinary medical scientific publications.
